SPECIAL COLLECTIONS  
ALLARA LIBRARY  
PIKEVILLE COLLEGE  
PIKEVILLE KY

*We, the staff of the 1987-88  
Highlander, would like to  
dedicate this yearbook to Dr.  
Maurice Bailey, for his devotion  
and committment to Pikeville.  
College.*

Dr. Maurice Bailey was born in Portsmouth, Ohio. His interest in a career in chemistry was aroused in 1933 when he won first place in a state-wide high school chemistry contest.

After obtaining degrees from Ohio Wesleyan and Purdue, Dr. Bailey spent thirty years in chemical research during which period a number of publications and patents were issued to him.

Following retirement from the chemical industry in 1970, he came to Pikeville College as a professor of chemistry. In 1972, he became Chairman of the division of Science and Technology and occupied this position until 1981. During this period, he continued to teach chemistry and was actively involved in a primary leadership role in the development and administration of a mining technology program which was the first of its kind in the United States. This program fulfilled an urgent need during the 1970's for the people trained in modern coal mining technology and safety practices.

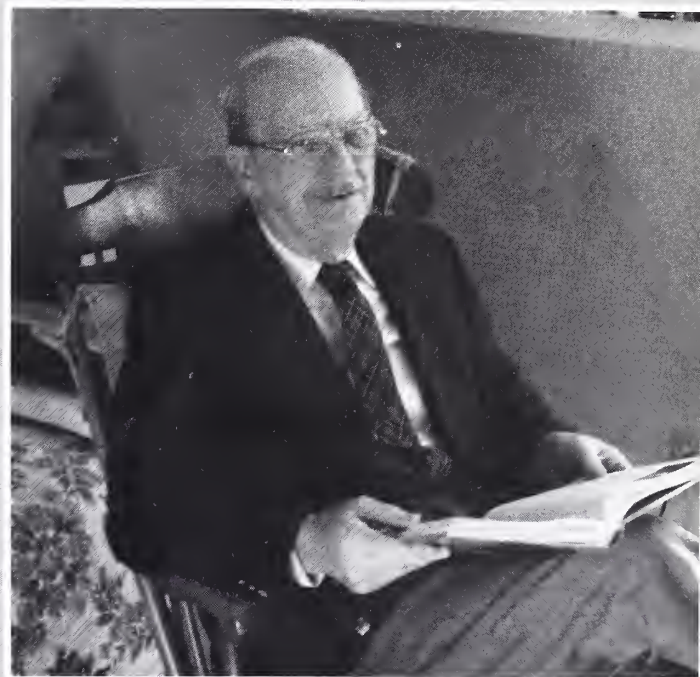

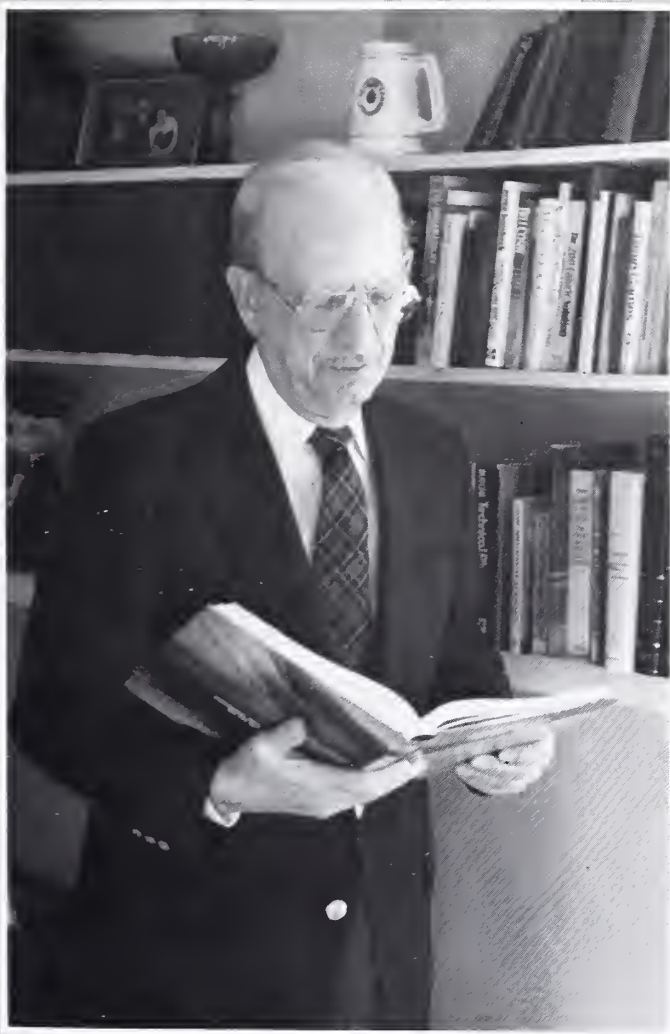

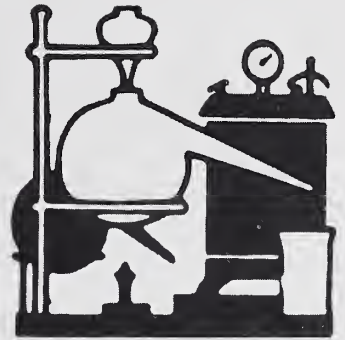

In 1981, Dr. Bailey took leave of absence from the college to work for the Kentucky Department of Energy in the establishment of research and development programs related to coal.

In 1982, Dr. Bailey returned to Pikeville College and taught chemistry and physical science full-time until his retirement in 1987. During this period he was elected to honorary membership in Phi Eta Sigma, honored for dedication service to the Darlington Science Club, and was made an honorary alumnus of Pikeville College. He also served as faculty trustee and Chairman of the faculty executive committee. He has been an elder in the Presbyterian Church since 1949.

Since his retirement, Dr. Bailey has been writing for the Appalachian News Express, serving as President of the Pike County chapter of the American Cancer Society, serving on the Board of David School, doing volunteer teaching in the Pike County Reading Program, and building play furniture for his grandchildren.

Dr. Bailey lives at 100 Popular Street, which is adjacent to the Pikeville college campus, with his wife, Mary, who is a registered nurse with the Pike County Health Department. They have six children and eleven grandchildren.

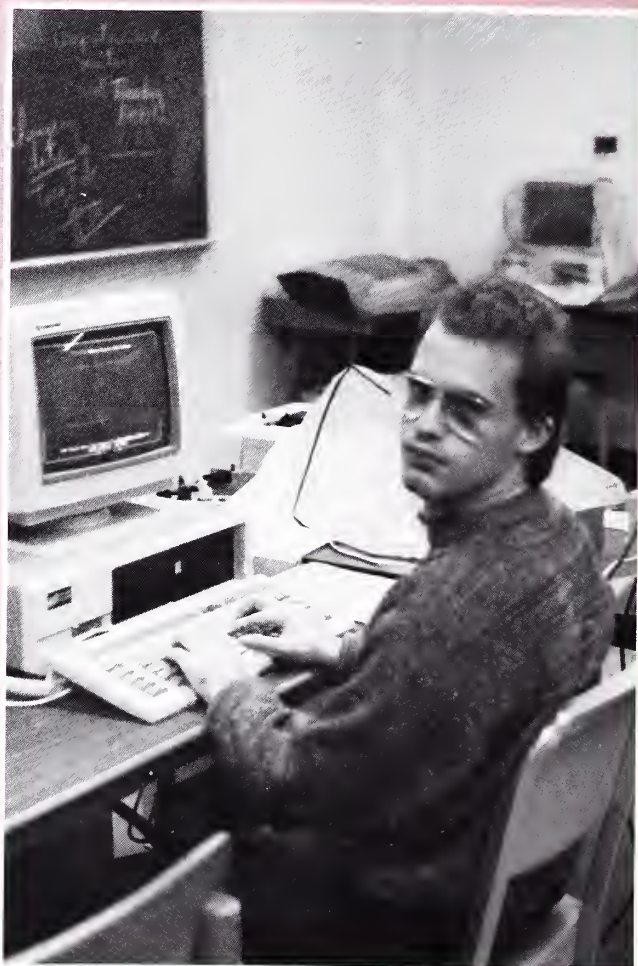

# "PIKEY"

As I look back through the era of being "Pikey", I never thought that four years would pass this quickly. I have many good memories of putting on the bear's head and running out of the bathroom (woods) with my clothes in a bag as I tried not to miss the player introductions. As I said, there are many good memories: our five-game winning streak in 1984-85; the quick start we had in 1985-86; winning twenty games in 1986-87; and Gerald Osborne's hitting three-pointers at a 52.3% average in 1987-88. I've been associated with such name droppers as Rod, Ha, Todd, D.J., Reg, and G.O. I would like to thank Susan Huffman, Coach Steve Priode, Sandy Mims, Mr. L., Roy, and the Bears and Lady Bears with whom I've been associated these four years. It's been fun and I'd especially like to thank Brian, Steve, Ray, and Spoon Man. There is one last thank you for me to leave, which is the most important: THE FANS. Without you, there would be no "Pikey".

Paul "Radar" Keen

# STUDENT AMBASSADORS

(L-R, standing) Keith Varney, Ryan Rice, Russell Damron, Paul Keen, Duane Porter, Donnie Jones, David Cook, Jennie Ann Bowling. (L-R, sitting) Sheliah Poulous, Kim Maynard, Rhonda Coleman, Anita Webb, Carolyn Miller, Michelle Boyd, and (standing) Karen Gibson.

Student Ambassadors are selected each year to represent the best of Pikeville College student body. The Ambassador Program is coordinated through the Admissions Office, but Ambassadors are involved in many activities both on and off campus.

This year the Ambassadors will travel with Admissions counselors to visit high school students in Kentucky, Ohio, West Virginia, Virginia, and Tennessee, Ambassadors act as hosts when individuals or groups of prospective students visit campus and are experts at giving campus tours. As a special service to the community, the Ambassadors will assist Elizabeth Dowdy with the Special Olympics this spring.

Interviews are conducted each fall for a new class of Ambassadors. Terry Epling, a Student Affairs representative, sponsors the program. Ambassadors represent a broad spectrum of the Pikeville College community. They include traditional and non-traditional, dorm and commuter students form a variety of majors. The one thing they have in common is their enthusiasm for Pikeville College and dedication to its mission.

# STUDENT LIFE

Phyllis Combs — A picture of poise and grace on the basketball court.

Mark "Ratt" Ratliff, Ron "Hairbear" Powell, Mark Frasure, and Captain Mike "Cathead" Webb prepare for the Cut-Through Dedication Boat Race. They finished the race last, but their boat didn't finish *at all!*

Munchin' and Crunchin' at "Woody's Hideaway"

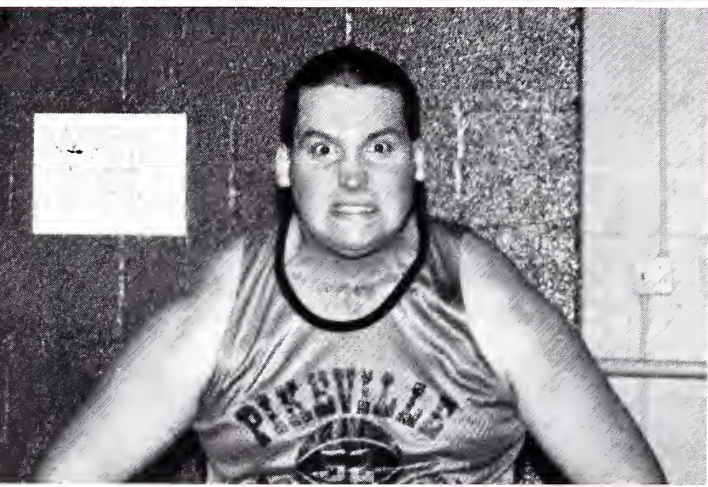

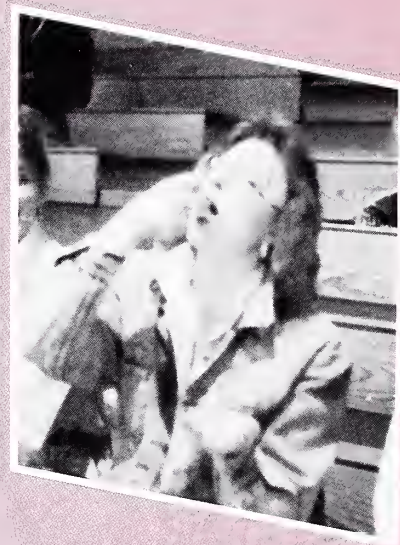

Upper rt.: Sharon (standing), Susan and Dawn relax before going to class. Middle left: Kelly and Debbie show the photographer their pearly whites. Middle Rt.: Stephaine works off some tension by battering a volleyball. Lower left: "The guys" get together for a nightly game of cards.

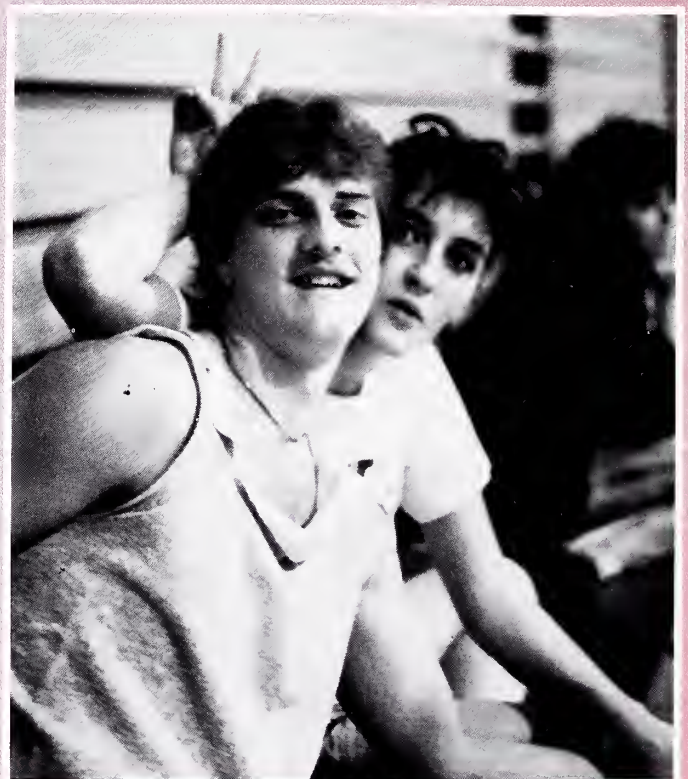

YOU DON'T HAVE  
TO BE CRAZY...

Kim and Lynn get really worked up over those S.G.A. Midnight breakfasts. (Top rt.) Diane King bites the "big one"! (Bottom rt.) Those intramurals really mess with your mind — just ask Stephanie and Randy.

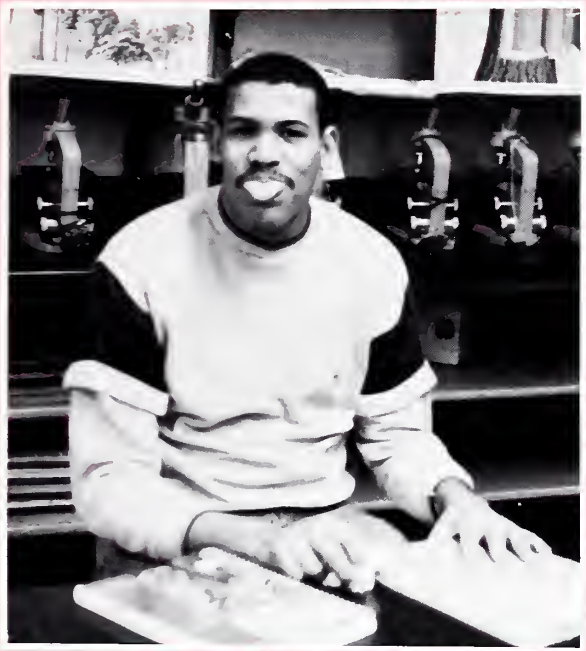

Gerald shows his "manly form" for our camera.

BUT IT  
SURE  
HELPS !!!

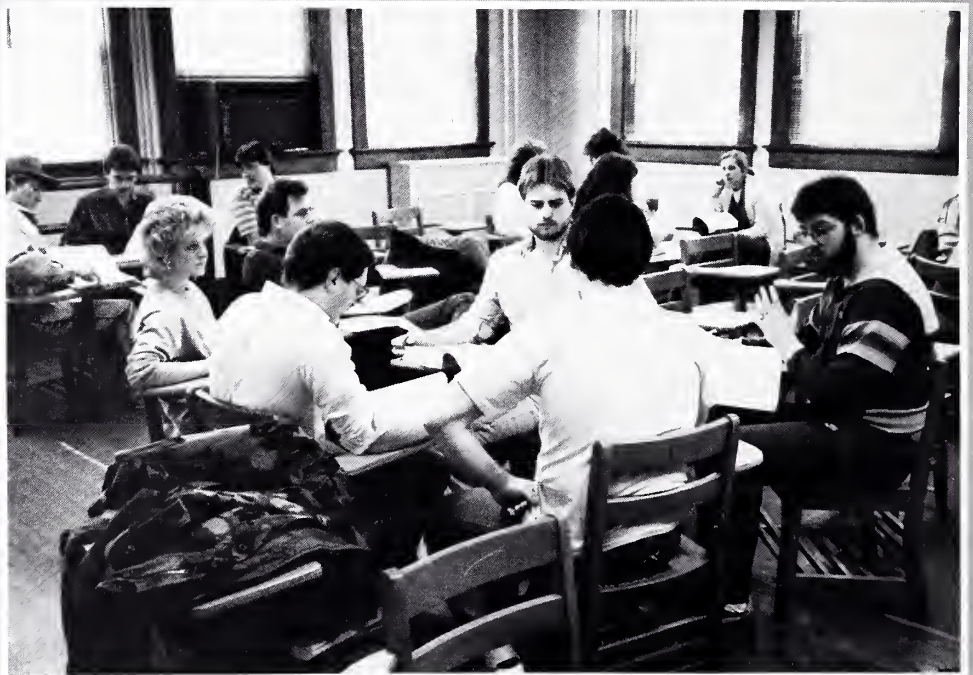

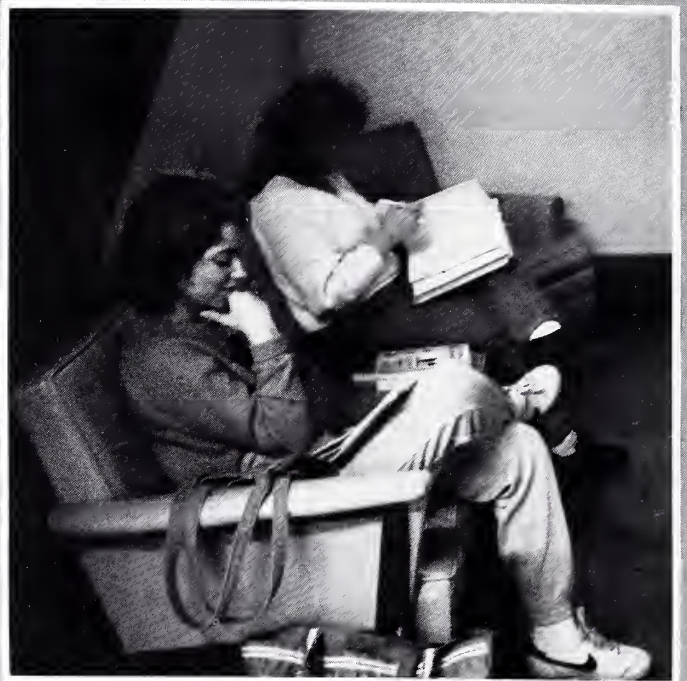

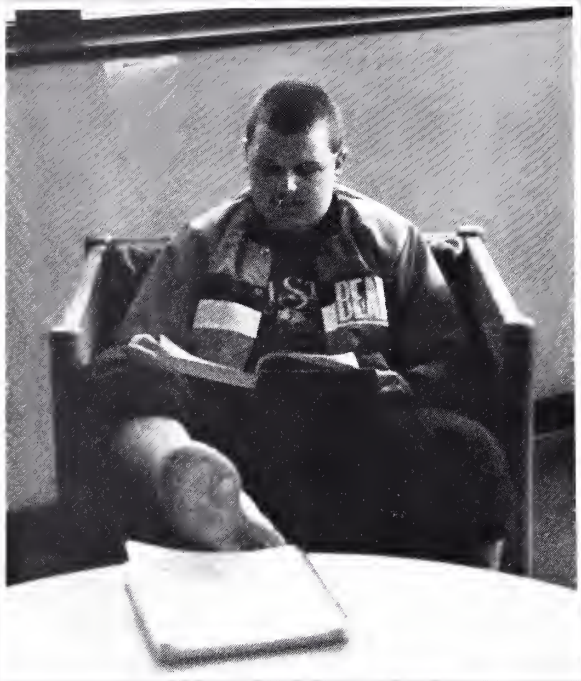

(Top left) Reggie seems to have a bad taste in his mouth.  
(bottom left) Missy just isn't able to pay attention. (Center)  
Shawn and Scott — two wild and crazy guys!

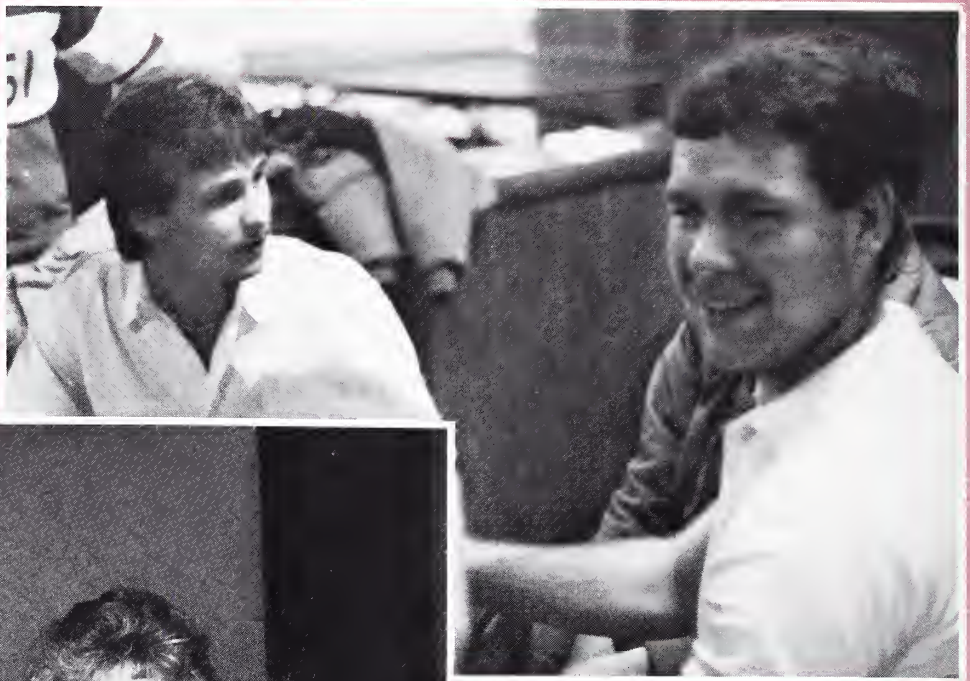

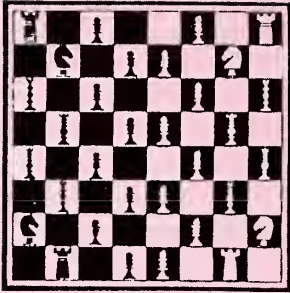

# *MAKING THE GRADE*

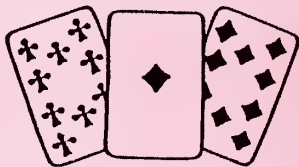

(Top) Jeff Coleman and George Ilic "kick back" after class with a relaxing game of Rook. (Middle) "The Lisas" (Lisa Bartley and Lisa Thacker) take a break from their gossip to pose for our camera. (Bottom) Brian Addington shows us why he should have been in "The Color of Money" instead of Tom Cruise.

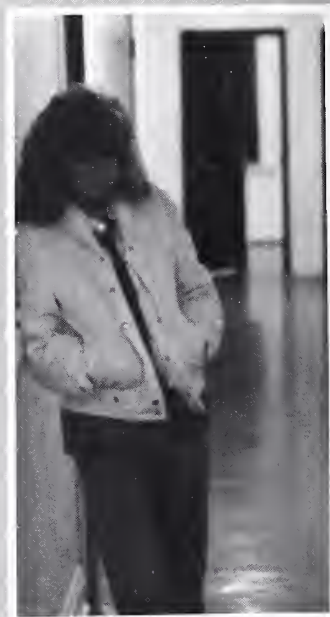

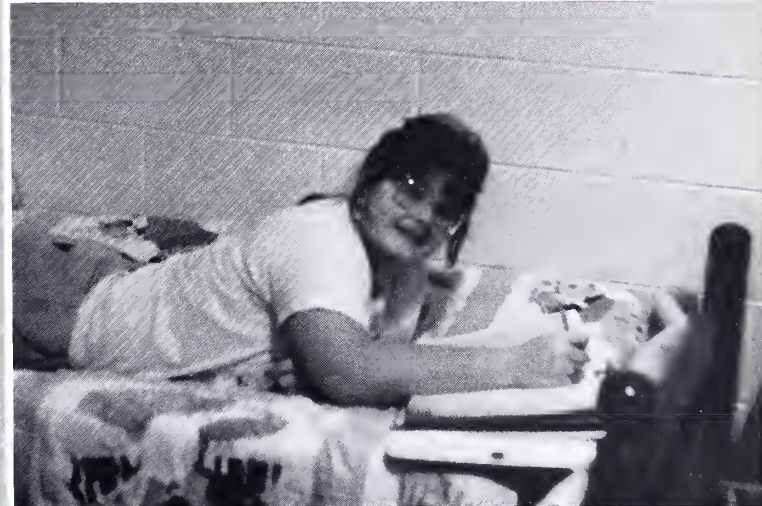

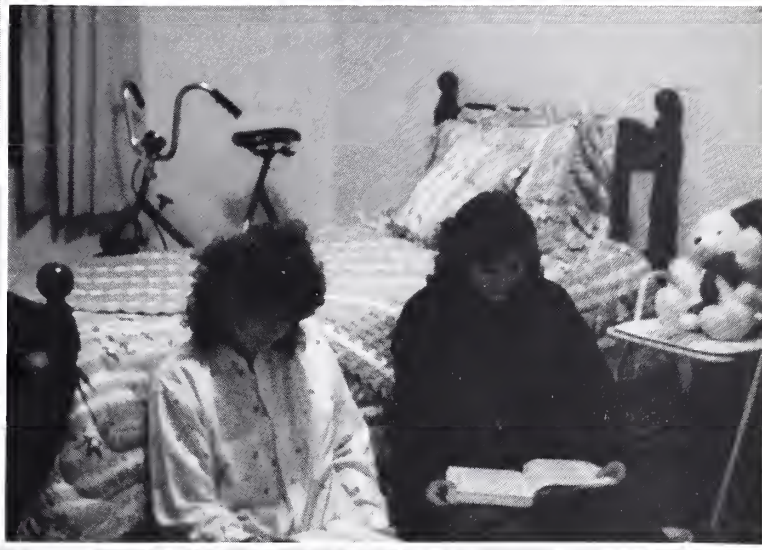

(Top, left) Penny Greenwalt eyes the pool table before executing her shot. (Top, right) Jeronda Bartley shows us what Work *STUDY* is all about. (Bottom, left) Larry Rutherford shows Keith Bartley "the door". (Bottom, right) David Hall is shocked that he missed that shot!

# Men's Basketball

*Coach Goss*

*Coach White*

The 1987-88 season for the Bears was a long and frustrating one with only a few bright spots. During the season, the Bears lost five games by one or two points each. Although the Bears had a disappointing year, there were many bright spots. Captain Donnie Jones (senior) finished the season with 255 assists and registered as one of the top assist-makers in the nation. Reggie Gravely (junior) was named to both the KIAC and NAIA district 32 Conference teams for this past season. Gravely also finished among the national leaders in field goal shooting percentages with 65.8% for the season. As a team the Bears finished as one of the top three-point-shooting teams in the nation, shooting

52.42% from beyond the three-point range. The Bears were lead in this aspect of the game by Gerald Osborne (junior) who shot over 50% of the three-point shots attempted. The Bears finished the season with five wins and 22 losses.

The Bears are very hopeful for next year with returning players like: Gerald Osborne, 17.3 points/game and 4.6 assists/game and Darren Stapleton 10.3 points/game and 4.2 rebounds/game. The Bears have recruited some of the best talent from the surrounding area high schools such as: Terry Bird (Wolfe County), Bart Williams (Johnson County) and Larry James (Sheldon Clark). With this young talent and the returning players, Coach Greg White should have in store some very exciting basketball for the players, fans and supporters of Pikeville College Basketball in the 1988-89 season.

"COACHES CORNER"

We began the 1987-88 season with a new direction, new goals, and a new theme: "Success comes to those who dare to dream high enough." This philosophy was fueled by the pre-season coaches poll which made us the conference and district favorite. Only through hard work, dedication and daring to dream could we fulfill these predictions.

As has been the customary pattern, the Lady Bears began the season slowly, finishing at Christmas break with a record of 6 and 3. After the holiday break, we caught fire and went on a seven game winning streak to push our overall record to 13-3. This streak was broken with a heart-breaking loss to perennial conference favorite and foe, the Lady Indians from Cumberland. We went on to lose two of the next three games to experience the first challenge of the year. How would we handle adversity? We bounced back to win our last regular season games as we prepared for the conference tournament. The conference tournament became a realization of our season-long dreams. An opening round win against Union was followed by a resounding 90-72 win against Cumberland. Our first ever KIAC championship had really happened! We were indeed KIAC CHAMPIONS. This win was followed by the most disappointing loss of the year. Our nemesis, Cumberland, came back to knock us out of the District 32 play-offs. We ended the year 18-7, KIAC champions, but still thirsting for the land beyond. The road to success is a long, hard road, one of peaks and valleys, for next year, we will continue the journey. THE DREAM CONTINUES!

# Baseball '88

As Pikeville Baseball entered into its second season since being restarted, their out-look for this season was a bright one for Coach Steve Priode and his bears. As the year began, Coach Priode was still looking for his first win as the coach of Pikeville Baseball. On March 24, Pikeville played Thomas Moore College and the Bears of Pikeville had their first two wins for the new baseball program. The remainder of the season was a little disappointing for the Bears. The out look for next years team keeps getting brighter and brighter for Coach Priode and his Bears. With some of the top talent from the area high school in Virginia and Kentucky coming to Pikeville. Next years Baseball season should have in store some great moments for the fans and supporters of Pikeville Baseball.

left to right:

first row: Raymond Ferrell, Keith Varney, Paul "RADAR" Keen, Brian Addington

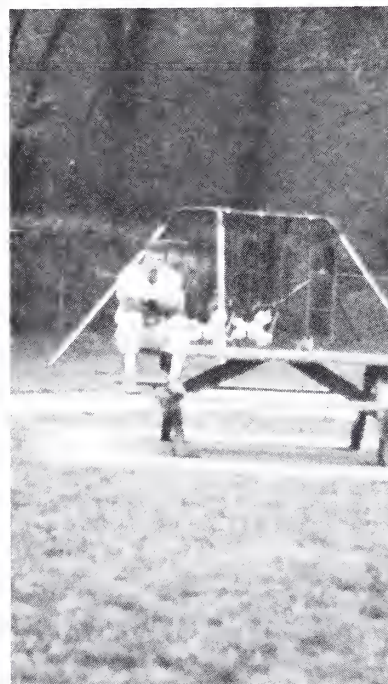

second row: Shannon Beverly, Scott Laudermelt, David Sisco, Jimmy Easterling, Randy Hawkins, Blake Bentley, Coach Priode

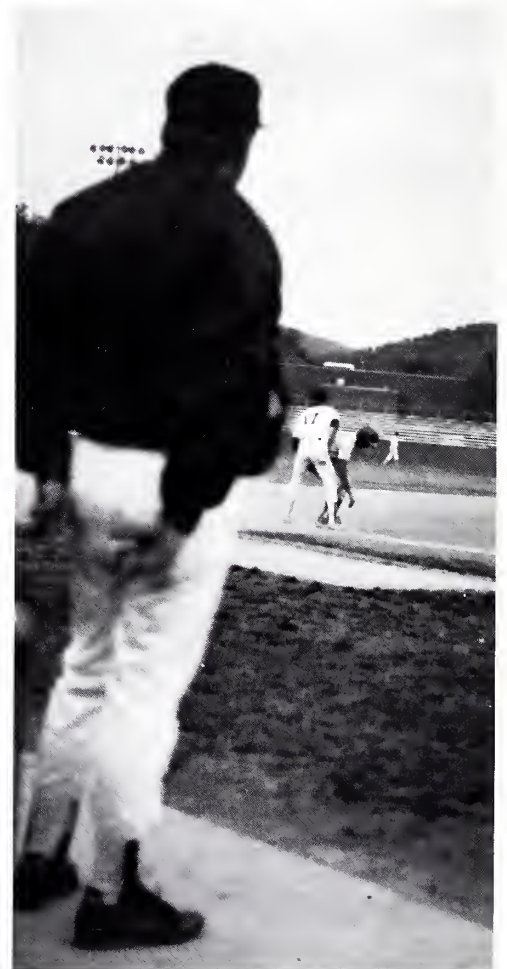

This was a very exciting and fun filled year for the cheerleaders. In the early fall the girls raised money with many activities, such as slave auction, and concession stand for the battle of the bands.

The girls went on trips to Clinch Valley, Berea, Alice Lloyd. The Georgetown weekend for the girls was the highlight of their year, going to Lexington's shopping malls and sightseeing.

The girls are sorry to have to say goodbye to their senior captain and leader for the past year, Sabrina Smallwood. The cheerleaders are looking forward to the coming season.

# KIAC Tournament Champs

The Pikeville College Lady Bears went into the KIAC Tournament as the second-seated team behind the Lady Indians of Cumberland College. The first game of the tournament was against Union College and the Lady Bears came away with a very impressive win and this set up the tournament championship game against the Lady Indians. Pikeville College traveled to Cumberland College and came away with a resounding 90-72 win over the Lady Indians of Cumberland. This was the first KIAC championship won by the Pikeville College Lady Bears. Congratulations Coaches Cutright and Lady Bears.

Coach Roy Cutright cuts down the nets after winning the KIAC tournament. Below: The Tournament Champions accept the winners trophy.

Karissa Carter is congratulated by Coach Cutright on being named to the all conference team. Below: Phyllis Combs after receiving her All Conference Team award.

# Athletic Banquet

This years Athletic Banquet was held on Thursday, April 28, at the college gymnasium. The guest speaker for the evening was Rick Huckaby, coach for the Marshall basketball team. The highlight of the evening was the MVP awards given to Reggie Gravelly, mens basketball; Karissa Carter, womens basketball; and Randy Hawkins, mens basketball. Another highlight was the Alumni awards for the graduating seniors. Awards were given to: for mens basketball: Donnie Jones, Mark Rowan, John Biery; womens basketball: Kim Shepard; baseball: Donnie Stump, Dwight Newsome, Paul "Radar" Keen, cheerleading: Sabrina Smallwood. The banquet was great fun and an end to a productive year for the Pikeville College athletic department.

Below: Terry Spears, reporter for the Appalachian News-Express, interviews Coach Rick Huckaby of Marshall University. Huckaby was the guest speaker at the Pikeville College Athletic Banquet.

Above: Coach Greg White is presenting awards to his outstanding players for the Pikeville College Bears.

Randy Hawkins receives the MVP award for PC Bears. Below: Donnie Jones receives the Top Assist award. Donnie averaged 9.4 assists per game.

Below: Reggie Gravely a junior from Delbarton, West Virginia, receives the top rebounding and field goal percentage shooter awards. Gravely also received awards for making the All-KIAC and All-District 32 teams for the past season.

**ACTIVITIES**

Rhonda "Sissy" Charles

Homecoming is always an exciting time for alumni to return to campus and for the college community to gather for many fun filled activities. Pikeville College celebrated Homecoming 1987, during the weekend of November 20 and 21. Festivities began on Friday evening with the homecoming game at the college gymnasium, with the Bears playing the team from Charter Hospitals of Kentucky.

On Saturday, President and Mrs. William Owens hosted the Homecoming Brunch at their home. That afternoon the homecoming parade was held in downtown Pikeville in conjunction with the Pikeville Merchant's Association Christmas Parade.

The homecoming dance on Saturday evening was held at the Green Meadow Country Club and was well attended and enjoyed by all.

# Pikeville's

# Cut-Thru

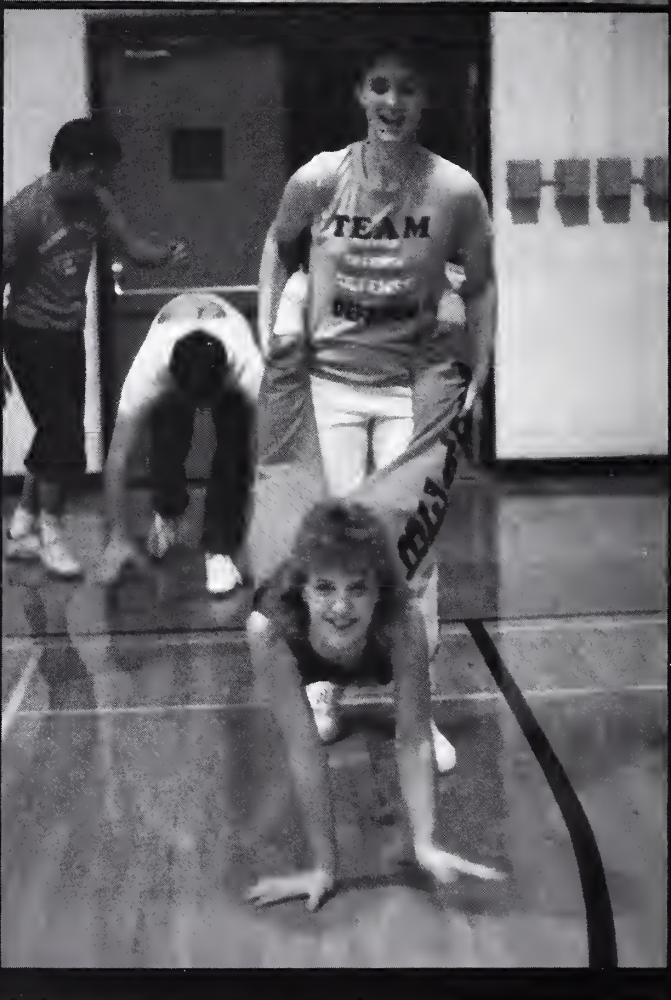

# Dedication

Pikeville College Student Government Association celebrated the opening of the Pikeville Cut-Thru by distributing balloons to all. The Cut-Thru celebration was a tremendous ending of fifteen years of hard work for the town of Pikeville, it proved that a town can move a mountain, and a river and a railroad . . .

# PHI BETA LAMBDA

Members awaiting FBLA Regional Conference to begin

The Pikeville College chapter of Phi Beta Lambda, a business club, celebrates its 20th birthday by hosting the FBLA Regional conference for surrounding high schools, acting as ushers for the Supreme Court and judges for MECA of Eastern, Kentucky.

During the year they represented Pikeville College at three conferences. Two were held in Louisville, Kentucky, One a Leadership conference and the other a state competition. They also represented the school in an open forum on Business in Hilton Head, South Carolina, this was sponsored by the local churches. In the spring conference at Louisville, they had two first place winners: Stella Cone (management) and Anita Webb (Future Business Teachers) a second place winner: Karen Gibson (Accounting II), and a third place group win in Business Decision Making.
